## *Floral Centerpiece*

---

From "A Toast to the Lady of the Day — Mom" on page 72 of the May/June issue of *Sandra Lee Semi-Homemade* magazine.

### HOW TO

- {1} Paint an urn with several coats of white paint, allowing to dry between each coat.
- {2} Soak floral foam blocks with water, and cut to fit securely inside the urn. Fill the urn with water.
- {3} Tape the top of floral foam in a grid pattern using floral tape.
- {4} Insert mustard greens pieces into the wet floral foam around the entire base.
- {5} Working your way up the centerpiece, insert hydrangeas in a ring above the mustard greens.
- {6} Insert roses to fill in the entire center of the arrangement.
