Creative Table Runner

From "A Toast to the Lady of the Day - Mom"
on page 72 of the May/June issue of *Sandra Lee Semi-Homemade* magazine.

HOW TO

{1} Purchase paintable wallpaper at a home-improvement store, and cut to proportion with your table.

{2} Dilute a small amount of acrylic paint with water. Note: After the runner is dry, color will appear a few shades lighter.

{3} Using a paintbrush, wash diluted

paint over the wallpaper. Note: Water might seep through paper, so make sure to use a safe surface for the project.

{4} Once the runner is partially dry, blot with a paper towel to remove excess water and spread the color.
